EVENTS AND HIGHLIGHTS

April 2023

Message from the Chairperson's Desk

Dear Parents

Greetings from Canary!

Nothing great was ever achieved without enthusiasm. ~ Emerson

The academic session 2023-24 began in full swing and we have had a cheerful time welcoming new families and having our Canarians back to school. It was gratifying to see Canarians settle well in the school making friends and finding comfort in the classrooms. We were engaged during the last few weeks of the session setting the stage for the new grades and their learning outcomes.

I would like to note that we have amazing Canarians and it is a real pleasure to see their confidence grow through their participation in classroom engagements, school assemblies, art expression and other activities.

As a preparatory step for the upcoming session , we had our teachers and leadership team engage in training sessions so they are well equipped and ready to work with Canarians to do all we can to meet the Social-emotional & Academic needs of students.

Further, the administration team along with the pedagogical leadership team are doing everything we can to put plans in place for the session ahead. We will soon be rolling out the actionable steps from the feedback received through the parent Happiness Survey.

I would like to extend a heartfelt thank you to our entire team @Canary for making the school a wonderful place to learn and grow.

With that said, I wish happy holidays as you take time to be with near and dear, enjoy the moments and experience life to the fullest!

Regards ,

Swetha Reddy Chappidi

Message from the Principal's Desk

The mind is not a vessel to be filled but a fire to be kindled —_Plutarch

Dear Parents,

Greetings From Canary the School!!!

The role of a school is not only to pursue academic excellence but also to motivate and empower the students to be lifelong learners' & critical thinkers who can make a difference to themselves and the world around them.

In every child there is a world waiting to be explored. We are committed in our mission to inculcate a state of happiness in every child to ensure a peace loving harmonious world.

The months of March and April were filled with excitement as we began the new academic session 2023-24 with many learning engagements, class activities, assemblies, competitions and Canarians proudly took up the role of "Planet Heroes" and pledged to save the earth. Special awareness

programs and guest lecturers were conducted to understand the need of the hour. Canarians took small steps of action like switching off the fans and lights, saving water and will be continuing to do their bit.

Keeping in mind to teach is to touch a life forever, our teachers are continuously being trained by the IBO & CBSE to strengthen our teaching learning process and ensure we cater to the 21st century needs.

As a principal I would like to personally request you to be partners in the process of learning, devote time to shoulder the responsibility and support all our Canarians to explore their true potential.

We hope that every Canarian's journey with us will surely help in yielding fruitful results and envisage our shared dreams and to dream beyond.

Have a wonderful vacation by spending quality time with your family and loved ones

Regards ,

Lydia Christina

Message from the SLT Team

From the Head Senior School Desk

I am esteemed to be part of a school with such ambitious students, an extremely dedicated staff, and a supportive Canary fraternity that live up to its mission and vision "The Happy Community".

As a School we always empower our Canarians with knowledge and skills for life-time that entrusts them as the global citizens and the future leaders. We consistently encourage our Canarians to be lifetime learners as the process of learning is ceaseless. Our teachers are not just knowledge-providers but they also emphasize on value based education through experiential learning.

At Canary, for the holistic development of our Canarians, at all times we focus on nurturing them through hands on experience mode of learning, workshops and guest lectures by experts in the field, learning through field trips, extracurricular activities etc. We have left no stone unturned that benefits our students.

In align with the NEP-2020 we have strategize our plans for the senior school and looking forward to give the best practices of academics and co-curricular activities to our Canarians, to sustain the global competition. In connect to this we are emphasizing on creating the leadership skills among our students, 'Mock Under-18 Elections' is one such opportunity to our students in collaboration with Team What is My Goal.

We have started the Academic Year 2023-24 with outstanding achievements and learning by our Canarians and looking forward to the same zeal and happy learning in the upcoming days ahead.

" Have a memorable and safe Summer Vacation ."

Thank You

Dr. Emmadi Naveen Kumar
Head, Senior School,
Canary The School.

ACHIEVEMENTS@CANARY

Gaurang Tripathi of grade 6B participated in 'The Growing Tree Interschool 21 Roller Skating and Wave Board Competition' 2023 and secured 1st place in solo huddle timed 'Waveboard

Competition' and 2nd place in group speed Wave Board competition.

The competition was organised by The Growing Tree Society in association with the Global Edge school and held on 9th April, 2023 at *Gachibowli Stadium* Skating Rink, Hyderabad.

Akshaj of Grade 6 participated in the National level essay writing competition and won the third prize. He received the award in New Delhi.

ASSET assessments were conducted for grades 4 to 10 in the English, Math and Science subject areas. There were some credible performances with one outstanding performer Aditya Deharkar (7B), seven distinguished performers and twenty creditable performers.

EVENTS FLOW@CANARY:

1. HAPPY FIRST DAY: A new adventure begins.....

PYP : The ball was set rolling when the tiny tots of the EY and PYP wing with their shining faces and the exuberant Middle and Senior students filled with eagerness and enthusiasm set foot for a fun-filled journey ahead. Excitement was writ large on their faces when they were introduced to their new classrooms and teachers. The day was filled with laughter and gaiety and the students toured the campus, took pictures in the photo booths, and played games. They took back lots of fond memories which were a testament to the thrilling and inspiring adventure that lay ahead.

EVENTS FLOW@CANARY:

HAPPY FIRST DAY:

Senior wing: To begin something new is always amazing , isn't it? The ball was set rolling when the exuberant Middle and Senior students of Canary filled with eagerness and enthusiasm set foot in the campus on the first day of the new academic session with new energy and fresh vibes. Excitement was writ large on their faces when they were introduced to their new classrooms and teachers. New students were welcomed by their peers and teachers. The day was filled with laughter and gaiety and the students toured the campus, took pictures in the photo booths, and played ice-breaker games. They took back lots of fond memories which were a testament to the thrilling and inspiring adventure that lay ahead.

EVENTS FLOW@CANARY:

2. EARTH HOUR BEGINS

EY Wing: World Earth Day, is a yearly occasion celebrated since 1970 on April 22 to support and protect the environment. The kinder Canarians enhanced their knowledge about Earth Day too through different learning engagements like colouring activity, group discussion, tear and paste activity. Our little Canarians reflected well on keeping our planet clean and safe.

PYP Wing: Investing in our planet is the motto for the year 2023. Along with the support of their parents, our Canarians took up many initiatives to show how they care for “Our Planet Earth”.

Investment 1: They celebrated and honored Earth Hour with not only their parents but with every member of their house, by switching off the lights to show their support. As evidence, they used a flashlight to take a picture with their family to flaunt it on Clasdojo

Investment 2: Canarians used different modes of expression to show their love and care for Mother Earth. They made meaningful posters on how to save the Earth, wrote short write-ups on the same, and acrostic poems on Earth Day.

Investment 3: As a self-initiative one of the Canarians made a youtube short to express her views on how to keep our Earth Happy.

Investment 4: "To plant a garden is to believe in tomorrow." – Audrey Hepburn.

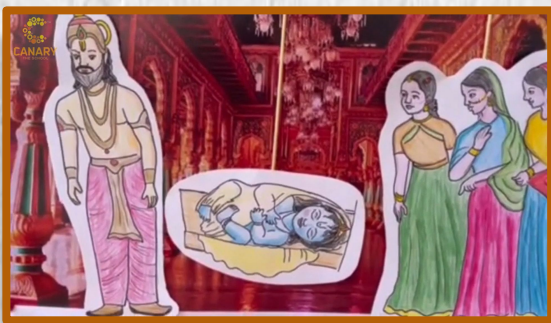

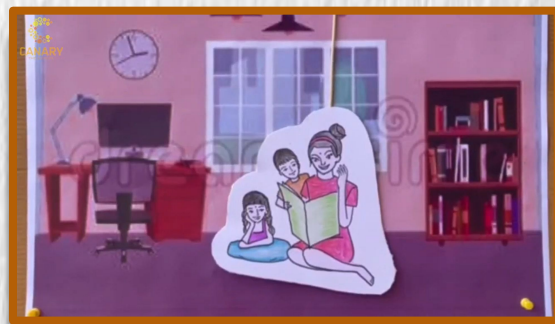

Our Canarians are our future and they showed this by planting a plant or a seed to make their future Earth a better place to live in.

Investment 5: Morning assemblies were dedicated to spreading awareness on the importance of saving Mother Earth.

Senior wing: Earth Hour is a worldwide movement in support of energy conservation and sustainability, sponsored by the World Wildlife Fund. Canarians decided to click flashlights, switched on mobile flashlights, and got ready to turn electric lights out to celebrate Earth Hour.

3. SRI RAMA NAVAMI

Whole school: The greatness of a culture can be found in its festivals. Canary celebrated Rama Navami by showcasing the story and the importance of the festival by portraying the story of the Ramayana through a puppet show. All students thoroughly enjoyed watching it. It was a feast for the eyes where mythological characters were brought to life through puppets.

4. WORLD ART DAY

Senior wing: World Art Day is a celebration to promote the development, diffusion, and enjoyment of art around the world. Canarians celebrated World Art Day to reinforce the link between artistic creations and society, encouraging greater awareness of the diversity of innovative expressions. The students were given the platform to showcase and enhance their skills and celebrate their creativity by making use of the visual language of shape, form, and color creating a beautiful composition through their imagination on the theme 'BEST OUT OF WASTE'. Canarians poured their imaginations and creativity and came up with beautiful expressions. It was indeed a fun-filled session.

PYP wing: As part of "Taking Action", Canary the school encouraged the students of PYP to take part in a visual art competition. Where the themes of different grades were in line with the UN Sustainable Development Goals - Goal 6- Clean Water and Sanitation. Goal 12- Responsible consumption and production. Goal 13 - Climate Action. Goal 14- Life below water. Students expressed and showcased their creative side by reflecting on the need to save and care for their planet. Winners were selected from each grade and acknowledged during the Earth Day assembly.

GUEST LECTURES@CANARY

1. DON'T TRASH OUR FUTURE:

Middle and Senior school students were made aware of the importance of the 3 R's of Refusing, Reusing, and Recycling plastic and what they could do to help make a difference in our environment every day by our Chairperson Ms. Swetha Reddy in a guest lecture on how we can move towards making our future trash free. Opinions and ideas were sought from students on what the school could do towards the initiative and students came up with varied and interesting ideas on the same like tying up with organisations in a bid to recycle waste.

2. INTERNATIONAL DAY OF MONUMENTS AND SITES:

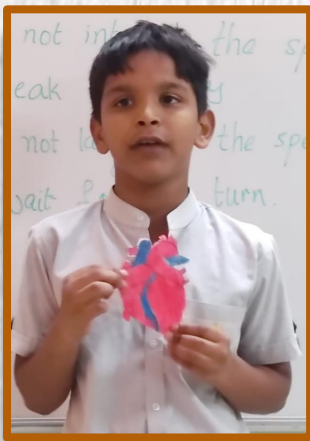

Middle and Senior school Canarians had the opportunity to listen to and learn about the International Day of Monuments and Sites from the distinguished professor of Osmania University, Shri JLN Rao. Students were enlightened and made aware of hitherto unknown information about the importance of monuments and sites and the need to preserve and protect them.

EXPERIENTIAL LEARNING@CANARY:

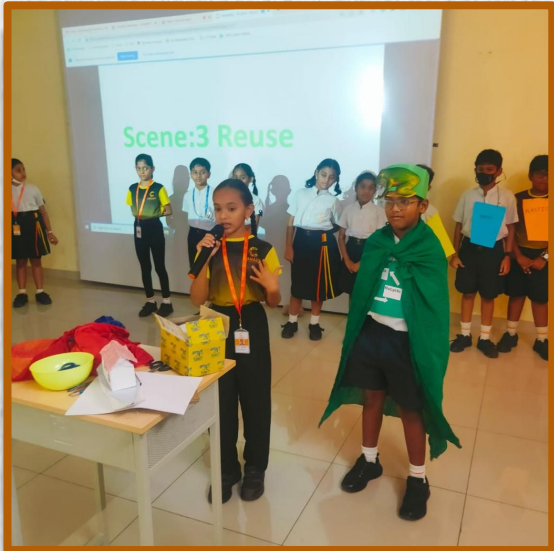

Senior Wing: Learning at Canary takes place in multifaceted ways. Senior school Canary integrates a series of educational strategies ranging from experimental learning to silent reading, role-playing to expressing through art. Diverse learning approaches, which focus on meaningful and continuous learning help make learning fun and interesting!

Inquiry@Canary PYP: Transdisciplinary learning is at the heart of the International Baccalaureate (IB) Primary Years Programme (PYP) and our school. The students' learning goes beyond subject boundaries which encourages them to make connections by exploring real-world issues and problems by using their range of skills and knowledge. By engaging in transdisciplinary learning, students develop a deeper understanding of themselves, others, and the world, which makes them better equipped to take positive actions toward society. Our teachers at Canary work collaboratively to design units of inquiry that are relevant, engaging, and challenging for our students, to give them a meaningful transdisciplinary learning experience making them lifelong learners.

ASSEMBLIES@CANARY:

Whole School: The morning Assembly is an essential part of the school schedule. As the students walk into the school campus the first activity that kick starts the day is the Special Morning Assemblies. Each section has a special day to conduct the assembly with the help of their Class teacher. The April month assemblies were dedicated to celebrating Earth Day.

The assembly was kickstarted by Grade 10 students highlighting the importance of Essential Agreements and developing a caring and sharing attitude. Special assemblies were conducted and students pledged to become 'Planet Heroes' and protect the earth from pollution and abuse. They also stressed on the importance of saving our species from extinction and preserving resources for the future.

Last Day @CANARY:

Summer holidays are always a means of rejuvenation and relaxation. It becomes a fun time for students which begins with the last bell ringing in school before vacations as they get ready to enjoy the summer retreat. Special fun-filled activities were conducted in the EY wing like; Making of Lemonade, Movie time, preparing Fruit salad and blowing Bubbles, students had a gala time. Kinder Canarians vibrant faces were shining bright as it was time to take a break from their regular activities and spend time with their families. They parted happily with a promise to abide by the do's and don'ts discussed in the Circle Time and come back energized with more dynamism and vitality after summer vacations.
